PRIVATE EVENTS, DINING AND EXPERIENCES

LA MAISON Q.J. BÜNZEL · HAUS JORDANS

Season 2026 / 2027

THE HOUSE

Haus Jordans

A historic house in the heart of Neuss, opened for gatherings of every kind.

A gathering begins long before the guests arrive.

It begins with the table being laid, the rooms prepared, the flowers chosen and the first glass waiting to be poured.

At Haus Jordans, La Maison Q.J.Bünzel brings these elements together with warmth, care and a quiet sense of occasion. From private dinners and family celebrations to business gatherings, workshops and cultural evenings, each event is shaped around the people who will fill the house.

For that moment, the rooms become yours.

A house for gathering. A table for sharing. A moment to remember.
